

Articles can be submitted on the e-mail address [js.int.2019@gmail.com](mailto:js.int.2019@gmail.com).

Please take note of the following points before submitting the article.

- Case study and case series should be as per the **CARE** criteria. Title should include case study/case report/case series.
- In case study and case series there should be follow up of the case/s.
- Referencing should be according to **Vancouver style** of referencing.
- Tables, charts, diagrams and images should be in the end after references.
- Do not add references in the footer. Give appropriate numbers in the text for the references (in the superscript).
- Do not capitalize and italicize ayurvedic terms. For capitalization and italicization please follow English grammar rules.
- Spelling should be according to American English.
- No decoration in the article is accepted.
